- some children/young people are additionally vulnerable because of the impact of previous experiences, their level of dependency, communication needs or other issues
- working in partnership with children, young people, their parents, carers and other agencies is essential in promoting our pupils' welfare

### We will seek to keep children and young people safe by:

- valuing, listening to and respecting them
- appointing a Welfare Officer, adopting child protection and safeguarding best practice through our policies, procedures and code of conduct for staff and volunteers

- recruiting and selecting staff and volunteers safely, ensuring all necessary checks are made
- recording, storing and using information professionally and securely, in line with data protection legislation and guidance
- using our procedures to manage any allegations against staff and volunteers appropriately
- creating and maintaining an anti-bullying environment and ensuring that we have a policy and procedure to help us deal effectively with any bullying that does arise
- ensuring that we have effective complaints and whistleblowing measures in place
